

Price list: Omron

OMRON BLOOD PRESSURE MACHINE		
Model	Specifications	Price
SEM-1	Fully automatic inflation and deflation Fuzzy logic Large display Displays average of last 3 readings Durable fan-shaped cuff Memory 21 sets of readings Battery low symbol to alert users	RM 298.00
Model	Specifications	Price
IA2	Accurate measurement with intellisense technology Flexible fan-shaped cuff Detect irregular heartbeat Detect body movement Memory 90 sets of readings with date and time Displays average of last 3 readings Simple, one touch operation Large display	RM 480.00
Model	Specifications	Price
IA1	Accurate measurement with intellisense technology Comfortable fit cuff size S/M Detect irregular heartbeat Detect body movement Memory 90 sets of readings with date and time Displays average of last 3 readings xtra large, clear display Quiet operation	RM 578.00
Model	Specifications	Price
IA1B	Accurate measurement with intellisense technology Comfortable fit cuff size M/L Detect irregular heartbeat Detect body movement Memory 90 sets of readings with date and time Displays average of last 3 readings xtra large, clear display Quiet operation	RM 598.00

OMRON COMPRESSOR NEBULIZERS		
Model	Specifications	Price
NE-C30 (clinic)	With Omron VVT (Virtual Valve Technology) Nebulizer Kit Efficient delivery of medication High nebulization rate ensures optimised treatment duration Small particle size of output (MMD approx 5 microns) reaches lungs efficiently, suitable even for children Leaves minimal residual medication Easy to operate and maintain Travel convenient Autoclavable nebulizer kit	RM 998.00
Model	Specifications	Price
NE-C28 (home)	With Omron VVT (Virtual Valve Technology) Nebulizer Kit Efficient delivery of medication High nebulization rate ensures optimised treatment duration Leaves minimal residual medication Easy to operate and maintain Autoclavable nebulizer kit	RM 395.00

OMRON INSTANT EAR THERMOMETER		
Model	Specifications	Price
MC-510	Enhanced Sensor Technology for accurate measurements that meets ASTM (American Society for Testing Materials) standard Fast one second mode Backlit screen for easy viewing Memory of last measurement reading Unique directional mode Beeper-guided operation Probe cover indicator Automatic power off	RM 199.00
Model	Specifications	Price
Probe	Probe covers for MC-510 40's	RM 50.00
